

Dye Family Award

To: Award Applicants

Thank you for your interest in pursuing a Dye Family Award. This award is intended to recognize senior high school students for their service to others at the local, state, or national levels. The Dye Family Award is available only through First Tee of South Central Wisconsin.

Please review the qualifications and, if you meet the requirements, we invite you to submit an application. Before submitting the application, please use the check sheet included with the application to ensure your submission is complete. All applications must be submitted no later than midnight on August 1 of the year in which you graduated from high school. Applications postmarked or received electronically after midnight on August 1 of your high school graduation year will not be considered.

The very best of luck to you. We will announce the award winner at the end of August. Once the award winner has been notified, a check in the amount of the award will generally be sent directly to the bursar's office of the college the winner will be attending. In addition, the award winner will receive recognition on First Tee of South Central Wisconsin's chapter website. If you have any questions, please email Joni Dye at joni.dye@gmail.com

With our best wishes,

The Dye Family
