wisconsin

2026

# Building Game Changers

## Community Partnership

First Tee - South Central Wisconsin is a youth development organization dedicated to empowering young people through the game of golf. By integrating golf instruction with a life skills curriculum, our organization aims to **build character, instill life-enhancing values, and promote healthy choices among youth.**

First Tee's Community Partners consist of partners that offer support of \$10,000 or more. **These partnerships are crucial to maintaining a healthy organization,** allowing us to provide educational programming for youth year after year.

We are grateful for all of the support Community Partners provide, both financially and through volunteerism, and we could not reach as many youth in the area without them. **Thank you for considering partnering with us and being an integral part of furthering our mission.**

# Golf Programming

We're shaping character  
**through every swing.**

Our golf programming goes far beyond the game itself. We use golf as a powerful tool to teach kids and teens ages 5–18 important life skills like perseverance, respect, and sportsmanship—all in a fun, supportive environment. **Your support as a donor helps us expand access to this impactful programming, ensuring that youth from all backgrounds can build confidence, connect with positive mentors, and experience the lifelong benefits of the game.** With your partnership, we can continue to grow the game and shape character, one swing at a time.

**908 kids on the  
course in 2025**

**\$250**

Full financial aid for a  
participant on the course

**Instruction at the John Flesch  
Golf & Academic Center**

**Summer Programming**

**Girls Golf Day**

# Academic Center Programming

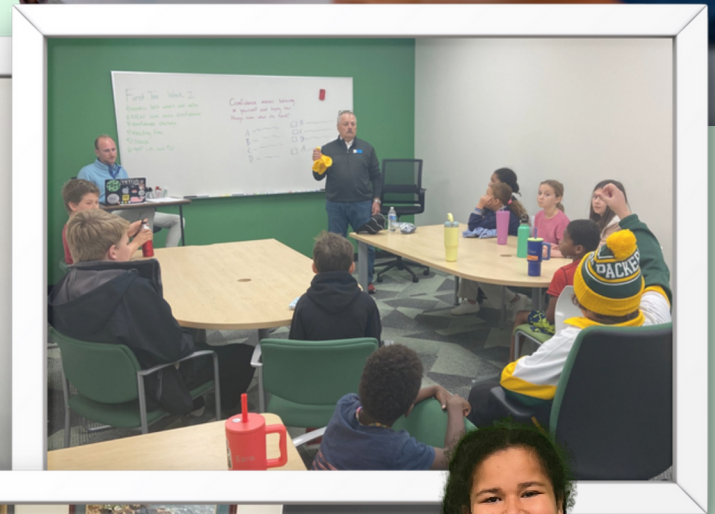

Helping kids succeed in school,  
**beyond the course.**

Our John Flesch Golf & Academic Center is where golf and education come together to create lasting impact. Here, **kids receive academic support, mentorship, and life skills coaching in a safe, welcoming environment.** Whether it's improving reading levels, building confidence, or learning responsibility, our students grow both on and off the course. **Your support helps us keep this vital resource free and accessible to the youth who need it most**—empowering them to succeed in school, in life, and in their communities. Together, we can drive real change beyond the fairway and **help alleviate the challenges in public education.**

**246 kids in the classroom,  
'25-'26 academic year**

**\$250**

Our per participant cost for one session of academic programming

# Community Partnership Program

- Year round exposure in all of our marketing materials and media outlets
- Logo inclusion
  - FTSCW website, monthly newsletters, marketing materials, social media
- Volunteering
  - Encourage your employees to get involved at our events, green grass summer programs, and Academic Center after-school programs
- Special advertising opportunities
  - First right of refusal - TV, radio, digital ads, etc.
  - Event sponsorship opportunities

## Event Sponsorships

Several opportunities available throughout the year at various levels of support and recognition:

- **LoFT [Love of First Tee]**
  - Entertaining Celebration for Supporters
- **Girls Golf**
  - Free event for girls at The Glen Golf Park
- **Annual Golf Outing**
  - Full field of donors and corporate partners
- **Youth Golf Classic**
  - Year end tournament for golf participants
- **First Tee Fall Scramble**
  - Young Professionals Group Golf Outing

Our community of supporters has been instrumental in the positive impact we've had on young people since 2011. But the changing world and our need to evolve is calling us to think even bigger. Thank you for your consideration of support as we usher in the First Tee's next era. Together, we are building game changers.
